

Nam Dae Mun Donation Program

Thank you for considering Nam Dae Mun Farmers Market to support your organization.

Who We Support

We believe that Nam Dae Mun must be mindful of personal and social values of the individuals who live and work in the communities we serve. We value our shareholders, our employees, our vendors, our customers, the business community, the communities we serve and the environment. This requires open mindedness and innovation in discovering ways to create value for all without adding cost to the environment or the community. Our challenge is to satisfy growth in the marketplace while maintaining a balance of sustaining the environment and satisfying the needs of the health, prosperity, and peace in the community.

Nam Dae Mun views this philosophy as an opportunity for the business community at large. We desire to find creative and innovative ways to deal with these extended challenges in order to continue our future success. We believe that a partnership between the business community and the local communities we serve is integral to make this happen and we look forward to the opportunity to work together.

Our goal is simple: contribute to the quality of healthy families, healthy children and healthy environments.

Only non-profit, tax-exempt 501(c)(3) organizations are eligible to receive donations.

We are unable to donate to individuals or individuals seeking pledges. We prefer not to be a part of religious organizations, gathering groups, athletic organizations, or entertainment events.
